

U.S. National Phase International Application Ser. No.: PCT/BE2005/000047
Title: AIR VENTING SYSTEM
Preliminary Amendment:

5 **Amendments to the Specification:**

Please amend the Specification as follows:

10 Please amend the title of the invention appearing at page 1, line 1 to delete the underlining.

Please insert the following paragraph on page 1, line 3, immediately following the title of the invention:

15 – This is a National Phase under 35 U.S.C. §371 of International Application PCT/BE2005/000047, filed 6 April 2005, which claims priority from Great Britain application serial number 0408298.8 filed 14 April 2004, the disclosures of which are incorporated herein by reference. –

Please amend the heading at page 1, line 4, entitled “Field of the invention” to delete the underlining appearing therein.

20 Please amend the heading at page 1, line 10, entitled “The Prior art” to delete the underlining appearing therein.

Please amend the heading at page 3, line 5, entitled “Brief description of the invention” to delete the underlining appearing therein.

Please amend the heading at page 6, line 16, entitled “Brief description of the drawings” to delete the underlining appearing therein.

25 Please amend the heading at page 6, line 26, entitled “Description of the preferred embodiments” to delete the underlining appearing therein.

Applicants have amended the Abstract to conform to U.S. standards taken from the Abstract published in WO2005/100706, and retyped on a separate page set forth in the attached Appendix.
